1. Introduction

Safeguarding is the action we take to promote the welfare of children and protect them from harm. It means caring for children appropriately and protecting them from things which are not in their best interests; as such, it includes health and safety, child protection and pastoral care. Connected to safeguarding is the phrase 'Duty of Care'; there is a legal responsibility that adults who work with children as professionals or volunteers have a duty to look after them properly; children depend on adults for their safety and well-being.

LLEG acknowledges the duty of care to safeguard and promote the welfare of children and is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice and regulatory requirements. The policy recognises that the welfare and interests of children are paramount in all circumstances. It aims to ensure that regardless of age, gender, religion or beliefs, ethnicity, disability, sexual orientation or socioeconomic background, all people are equally regarded.

2. Application of this Policy

This policy and procedures are widely promoted and are mandatory for everyone involved in LLEG: for LLEG staff, homestay hosts and their families, LLE Guardianship pupils and their parents and anyone else who comes into contact with an LLE Guardianship pupil. It details what LLEG thinks about safeguarding, and what we do to keep children safe.

LLEG is committed to safeguarding the welfare of every Guardianship pupil in its care and all adults associated with our organisation will be expected to share our ethos and actively engage in looking after under 18s safely.

It is essential that the LLEG Safeguarding Policy and Guidance is known to all adults in the homestay host's household, so homestay hosts must take time to share this with all members of their household aged 16+.

Failure to comply with the policy and procedures will be addressed without delay and may ultimately result in dismissal/exclusion from the organisation.

3. Policy Aims

- To provide protection for the children and young people who receive LLEG services, including the children of our homestay hosts via the pupil code of conduct.
- To provide LLEG staff, homestay hosts and their families with guidance on procedures they should adopt in the event that they suspect a child or young person may be experiencing, or be at risk of, harm.

4. LLEG Safeguarding Principles

We will seek to safeguard children and young people by:

- valuing, listening to and respecting them;
- adopting child protection guidelines through procedures and a code of conduct for staff, homestay hosts and their families;
- promoting and prioritising the safety and wellbeing of children and young people;
- recruiting staff and homestay hosts safely, ensuring all necessary checks are made, preventing the employment/deployment of unsuitable individuals;
- sharing information about child protection and good practice with LLE Guardianship pupils, parents, staff, homestay hosts and their families;
- sharing information about concerns with agencies who need to know, and involving parents and children appropriately;
- providing effective management for LLEG staff and homestay hosts through supervision, support and training;
- providing a safe and secure environment for all pupils;
- ensuring all children are safe and secure and protected from harm;
- ensuring that all LLE Guardianship pupils know who to turn to for help, advice or support, and have access to 24 hour support;
- appointing a Designated Safeguarding Lead who has overall responsibility for the safeguarding and welfare of all LLE Guardianship pupils;
- ensuring that everyone understands their roles and responsibilities in respect of safeguarding and is provided with appropriate training to recognise, identify and respond to signs of abuse, neglect and other safeguarding concerns relating to children and young people;
- ensuring that all staff and homestay hosts follow LLEG policies and procedures relating to safeguarding and welfare and are aware of who in LLEG is responsible for safeguarding;
- ensuring that the relevant persons are aware of the special needs or particular vulnerabilities of individual LLE Guardianship pupils;
- ensuring appropriate action is taken in the event of incidents/concerns of abuse and support provided to the individual/s who raise or disclose the concern;
- ensuring that confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored.

5. LLEG staff roles and responsibilities

Within LLEG, there are two levels of responsibility for safeguarding:

- (i) the Guardianship Managers who look after day to day welfare and safeguarding matters, placement of LLE Guardianship pupils with homestay hosts, induction and recording systems

The LLE Guardianship Managers are Angela Masella and Alison Jost

- (ii) the Designated Safeguarding Lead, who has overall responsibility for the implementation of the safeguarding policy and will be involved with any major decisions relating to safeguarding and child protection

The Designated Safeguarding Lead (DSL) is Emma Langton: +44 (0) 117 9269413 or 07425137794

The Deputy Designated Safeguarding Lead is Kate Hargreaves: +44 (0) 117 9269410 or 07766798679

All Guardianship Managers and Designated Leads are trained in Child Protection to Level 3.

6. Implementing the LLEG Safeguarding Policy

Training and awareness

- LLEG staff – Child Protection training for everyone at Level 1; three senior staff trained to Level 3
- LLEG homestay hosts – Online training at Level 1; face-to-face discussions at the initial and repeat home visits; LLE Safeguarding CPD training video on our YouTube CPD channel; safeguarding updates via newsletters.
- Continuing training offered as necessary to update.

Induction

- New LLEG staff and homestay hosts have safeguarding procedures and their responsibilities included in their induction before they start to have contact with children.

Monitoring and supervision

- LLEG actively monitors the use and application of the procedures. LLEG homestay hosts are also asked about safeguarding issues and awareness when discussing their progress and reviewing their work.

Recording and information sharing

- Accurate records are kept within the guidelines of our procedures. All records are kept confidentially and securely with limited access. Only the DSL and her deputy can access the records.

7. Monitoring and Review

The policy will be reviewed a year after development and then every year, or in the following circumstances:

- changes in legislation and/or government guidance
- as required by the Local Safeguarding Children Board
- as a result of any other significant change or event

LLEG Safeguarding Policy (SP)

SP1 – Code of Conduct for Homestay Hosts

Date of policy: 20th May 2015

Last reviewed: 2nd January 2018, 14th December 2018

Next review date: December 2019

It is important to build trust between under 18s and adults and to create a safe homestay environment through being positive and using praise. LLEG homestay hosts are expected to promote positive behaviour in all LLE Guardianship pupils and to be fair and transparent in dealing with under 18s. They must ensure that their conduct does not pose any risk to the safeguarding or welfare of pupils, their behaviour would be acceptable to the LLEG Head Office or parents and they should ensure all adults who come into contact with LLE Guardianship pupils are excellent role models.

LLEG's code of conduct for homestay hosts is designed to protect both adults and under 18s from any behaviour/actions which might be misconstrued and it reflects the child-centred principles of the school.

The following code of conduct is extracted from the LLEG Homestay Host Service Agreement signed by all homestay hosts accepting LLE Guardianship pupils.

Schedule 1: Code of conduct for homestay hosts

Introduction

1 Allegations of unprofessional conduct or improper contact or words can arise at any time. You are reminded that professionalism and vigilance are required, to ensure the safety of children in your care, and to reduce the risk of an allegation of impropriety against you or a member of staff.

2 You need to take particular care when dealing with a pupil who:

2.1 appears to be emotionally distressed, or generally vulnerable and/or who is seeking expressions of affection or approval

2.2 appears to hold a grudge or becomes angry/frustrated by your actions

2.3 acts in a sexually provocative way, or who is inclined to make exaggerated claims about himself or herself and others, or to fantasize, or one whose manner with adults is over-familiar.

2.4 if you accidentally harm or hurt a child in any way

Note: You must immediately inform the LLE Guardianship Manager if any pupil's behaviour is unusual or causes concern. Some of these behaviours may be indications that a child has been, or is currently being, abused and should therefore be reported to the Designated Safeguarding Lead under LLEG's Child Protection Procedures.

3 Always act within the spirit of these guidelines and in the best interest of the child.

SP1 – Code of Conduct for Homestay Hosts

One-to-one contact with LLE Guardianship Pupils

- 4 When accommodating an LLE Guardianship pupil, you should take particular care in the following ways:
 - 4.1 avoid sitting or standing in close proximity to the pupil;
 - 4.2 avoid idle discussion;
 - 4.3 avoid all physical contact and apologise straight away if there is accidental physical contact;
 - 4.4 avoid carrying out personal tasks which the pupil can do for themselves, e.g. applying sunscreen;
 - 4.5 avoid any conduct that could be taken as a sexual advance;
 - 4.6 avoid words or expressions that have any unnecessary sexual innuendo; avoid displays of affection either personally or in writing even in jest;
 - 4.7 avoid any form of aggression or anger. Threatening words, holding, pushing, pulling or hitting, is never acceptable;
 - 4.8 avoid any words or actions that are over-familiar;
 - 4.9 do not swear, blaspheme or use any sort of offensive language in front of pupils;
 - 4.10 always follow the LLE behavioural policy;
 - 4.11 If you are at all concerned about anything which has occurred during the pupil's stay, inform the Designated Safeguarding Lead without delay, and make a written record (signed and dated).

Physical contact

5. Appropriate physical contact when a pupil is in distress is deemed acceptable, for example, hugging a young child who is homesick. In these situations you should always use your own professional judgement and seek permission from the child first. Always ensure the presence of another adult and explain what you are doing. Please be aware that there may be particular circumstances where physical contact may be unwanted, for example, a child who has been abused may find physical contact particularly difficult.

The Law: Abuse of the Position of Trust

6. All teachers, homestay hosts and their families are in a position of trust. It is a criminal offence under the Sexual Offences Act 2003 for an adult (aged 18 years and over) who is in a position of trust to engage in sexual activity with any child aged under 18 years old even if both parties consent. The offence is punishable by up to five-years imprisonment and/or an unlimited fine.
7. The Sexual Offences Act 2003 also introduced the offence of "meeting a child following sexual grooming". This applies where an adult arranges to meet a child aged under 16 in any part of the world, if he has met or communicated with that child on at least two earlier occasions and intends to commit a sexual offence against that child. The law is clearly intended to apply where adults contact children through the internet or by texting. However, the prior meetings or communications need not have an explicitly sexual content.

SP1 – Code of Conduct for Homestay Hosts

8. Sexual activity involving a person under the age of 16 (male or female) is an indecent assault which is both a criminal offence and a matter for which damages can be awarded. This is so, even when the younger person is alleged to have provoked or encouraged the activity.
9. Every complaint and allegation by a pupil must be taken seriously by all members of LLE and action must be taken by the Designated Safeguarding Lead. It may be necessary to involve social services and the police if there are grounds for thinking that a criminal offence has been committed.

Professionalism

10. **LLEG expects the highest standards of professional conduct at all times:**
 - 10.1 dress appropriately to reflect your professional status and the fact that you are teaching and living with young people. In particular, avoid wearing nightwear in the pupil's company.
 - 10.2 ensure that the pupil's privacy is protected at all times including in their bedroom and when using the bathroom. There must always be a lock on the bathroom door.
 - 10.3 always be mindful of the responsibility you have regarding alcohol and smoking whilst living and working with under 18s; avoid smoking and minimise alcohol consumption in the pupil's company.
 - 10.4 comply with UK laws regarding alcohol, drugs and smoking.

Date of policy: 20th May 2015

Last reviewed: 2nd January 2018, 14th December 2018

Next review date: December 2019

Breaches of the code of conduct for LLE Guardianship Pupils

It is the responsibility of LLEG to ensure that all LLE Guardianship Pupils are informed of the LLE code of conduct and to confirm with them that they have seen, understood and agreed to follow it. LLE Guardianship Pupils must also be made aware of the consequences if they breach the code.

Behavioural misconduct is defined as any breach of LLEG rules as described in the LLEG Code of Conduct for LLE Guardianship Pupils. In addition, a breach of any rules that have been clearly and explicitly set out by homestay hosts will be considered behavioural misconduct.

LLEG has clear procedures to help and support homestay hosts managing behavioural misconduct from LLE Guardianship Pupils within the home.

Any pupils breaking British law, or persisting in serious anti-social behaviour, will be reported and disciplined. Serious cases of gross misconduct will be referred immediately to the Principal and pupils may be sent home at their own expense, with no refund of fees and the LLE Guardianship Services cancelled.

Recording behavioural incidents: all incidents should be recorded on the LLEG Incident Report Form and sent to the Guardianship Manager. These forms will be stored confidentially in the pupil record or if necessary in their secure safeguarding file.

Managing behavioural incidents: early disciplinary procedures will be managed by the homestay host, depending on the nature of the incident. Later stage procedures will be managed by more senior members of LLEG staff, using the procedures below.

Type of incident	Initial Procedure	Managed By	Subsequent Actions
Isolated case of minor behavioural incident	<p>May be managed informally with pupil at the time of the behavioural incident.</p> <p>If an LLE Guardianship Pupil breaches the LLE code of behaviour, the most appropriate sanction for a minor or first-time breach will be to remind them about the code of conduct, and to ask them to comply with it. LLE Guardianship Pupils will be given the opportunity to reflect, enabling them to plan a positive response, with support from their homestay host.</p>	Homestay Host	Monitor for further issues

SP3 – LLEG Policy on Dealing with Unacceptable Behaviour in Young Learners

Type of incident	Initial Procedure	Managed By	Subsequent Actions
1st behavioural incident	Stage 1: Verbal Warning If, having followed the above step, the LLE Guardianship Pupil continues to exhibit inappropriate or unacceptable behaviour, they should be referred to the LLE Guardianship Manager who will give them a formal, verbal warning. Supportive interventions may need to be identified at this stage. The action shall also be recorded on the behavioural incident report form and parents/carers informed.	Homestay Host LLE GM informed	Move through stages 2-4 if unresolved
2nd behavioural incident	Stage 2: Written warning Any further persistent inappropriate or unacceptable behaviour will result in a more serious sanction being imposed (eg restriction from family activities) and a written warning from LLEG. Again, supportive interventions may need to be identified at this stage. This action should also be recorded on the behavioural incident report form and parents/carers informed.	Homestay Host and LLE GM	Move through stages 3-4 if unresolved
3rd behavioural incident	Stage 3: Incident Meeting with all Parties	LLE GM	Move to stage 4 if unresolved
4th behavioural incident	Stage 4 If these interventions are still not effective in helping the LLE Guardianship Pupil to change their behaviour, further sanctions will be necessary. It may be that at this point, LLE will discuss with the pupil and their family possible termination of LLE Guardianship Services	LLE GM Principal informed	Possible request to terminate LLE Guardianship Services
1st serious incident	Stage 2/3 (depending on incident)	LLE GM Principal informed	Move through stages 3-4 if unresolved
2nd serious incident	Stage 4	LLE GM and Principal	Request to terminate LLE Guardianship Services
1st incident of gross misconduct	Stage 4	LLE GM and Principal	Request to terminate LLE Guardianship Services

SP3 – LLEG Policy on Dealing with Unacceptable Behaviour in LLE Guardianship Pupils

The procedures outlined below should be followed sequentially but may not be initiated at Stage 1, as outlined above. If procedural stages are bypassed, an LLE Guardianship Pupil should be made aware of the reason for this by the Guardianship Manager (GM).

Stage 1: Verbal Warning**The homestay host should:**

- note down a Stage 1 using the Behaviour Incident Report Form (available on the LLE Portal), outlining the actions the pupil must take, changes they need to make, or sanctions imposed in response to the incident
- discuss with the pupil why their behaviour was not appropriate; give the pupil the opportunity to explain or defend their actions; secure verbal commitment from the pupil that they plan to meet the requirements of the stage 1 plan and verbally warn the pupil that the consequences of not meeting the requirements of the stage 1 plan will be to move them to Stage 2 of the disciplinary procedures and to inform LLE who will inform their parent(s)/carer(s) and representative agent, if applicable
- if the matter is resolved, complete and return the behavioural incident report form to the GM at LLEG
- if the matter is not resolved, update the behavioural incident report form with the details to date and send to the GM at LLEG who will inform the pupil's parent(s)/carers(s) and representative agent (if applicable) of the details of the incident, and move the procedure to Stage 2

Stage 2: Written Warning

Behavioural incidents not resolved by a Stage 1 procedure, second cases of behavioural incident (the incident may be the same as or different to the first incident), and more serious behavioural incidents should be managed using a Stage 2 procedure.

The homestay host should:

- note down a Stage 2 plan on the behavioural incident report form, outlining the actions the pupil must take/changes they need to make/sanctions imposed in response to the incident
- talk with the pupil to give the pupil the opportunity to explain why they did not meet the requirements of the stage 1 plan and inform the pupil of the Stage 2 plan and ensure that they understand it
- ask the pupil how they plan to meet the requirements of the Stage 2 plan and whether they require help to do so
- secure written commitment from the pupil that they plan to meet the requirements of the Stage 2 plan

SP3 – LLEG Policy on Dealing with Unacceptable Behaviour in LLE Guardianship Pupils

- inform the pupil that LLEG has informed their parent(s)/carer(s) and representative agent, if applicable, about the incident and the action taken to date
- warn the pupil in writing that the consequences of not meeting the requirements of the Stage 2 plan will be to move them to Stage 3 of the disciplinary procedures and to keep their parent(s)/carer(s) and representative agent, if applicable, informed

For cases of repeated or more serious misconduct, the LLE Guardianship Manager should issue the Stage 2 written warning.

If the matter is resolved, the GM should complete and save the Behavioural Incident Report Form in the pupil's file, update the LLE Principal and inform the pupil's parent(s)/carer(s) and representative agent (if applicable) that the incident is resolved.

If the matter is not resolved, update the Behavioural Incident Report Form with the details to date, send a copy to the GM at LLE who will inform the pupil's parent(s)/carer(s) and representative agent (if applicable) of the details of the incident update, and move the procedure to Stage 3.

Stage 3: Incident Meeting with all Parties

Behavioural incidents not resolved by a Stage 2 procedure, third incidents, and more serious behavioural incidents should be managed using a Stage 3 procedure.

The Guardianship Manager should:

- arrange a meeting with the homestay host, pupil and GM to review the details of the incident and determine a Stage 3 plan, in particular to give the pupil the opportunity to explain why they did not meet the requirements of previous stage plans. This could take the format of a telephone meeting.
- inform the pupil of the Stage 3 plan and ensure that they understand it
- ask the pupil how they plan to meet the requirements of the Stage 3 plan and whether they need help to do so
- ask the pupil to confirm in writing that they plan to meet the requirements of the Stage 3 plan
- inform the pupil that their parent(s)/carer(s) and representative agent, if applicable, have been informed about the incident meeting and the action taken to date
- warn the pupil **in writing** that the consequences of not meeting the requirements of the Stage 3 plan will be to move them to Stage 4 of the disciplinary procedures, which may result in a requirement to terminate LLE Guardianship Services.

SP3 – LLEG Policy on Dealing with Unacceptable Behaviour in LLE Guardianship Pupils

- arrange any support requested by the pupil to meet the requirements of the Stage 3 plan
- monitor closely the progress of the pupil during Stage 3
- discuss with the homestay host and pupil whether the Stage 3 plan requirements have been met
- if the matter is resolved, complete and save Behavioural Incident Report Form in the pupil's file, update the Principal and inform the pupil's parent(s)/carer(s) and representative agent (if applicable) that the situation is resolved
- if the matter is not resolved, update the Behavioural Incident Report Form with the details to date, discuss with the Principal and inform the pupil's parent(s)/carer(s) and representative agent (if applicable) of the details, and move the procedure to Stage 4

Stage 4: Serious / Gross Misconduct Disciplinary action**The Principal will:**

- review the Behavioural Incident Report Form and take one or more of the following immediate actions, depending on the nature of the incident(s):
- request further investigation into the incident where more robust evidence is required to substantiate an allegation or where anyone involved may have acted subjectively, inappropriately or in a biased manner
- report the pupil's activities to the police where cases of misconduct involve criminal activity, or where criminal activity is suspected and police investigation is required to substantiate an allegation
- remove the pupil from the homestay with immediate effect if they feel that the pupil's continued presence puts their own welfare or safety at risk or that of other pupils, the homestay host and/or members of the homestay host's family

All actions will be meticulously recorded.

LLE Safeguarding Policy (SP)

SP4 – LLEG Child Protection Policy and Procedure

Date of policy: 20th May 2015

Last reviewed: 2nd January 2018, 14th December 2018

Next review date: December 2019

Introduction

Living Learning English Guardianship is committed to safeguarding the welfare of LLE Guardianship pupils and has developed this Child Protection Policy and Procedure to support homestay hosts and staff members in putting into practice this commitment.

This policy establishes the roles and responsibilities of everyone who works for Living Learning English in relation to the protection of children and young people with whom their work brings them into contact. In the context of child protection, children and young persons refers to anyone under 18 years of age. It is the responsibility of everyone at LLEG to promote the protection of children and young people. In following this policy, staff are always expected to maintain a sense of proportion, apply common sense to situations and protect the child's welfare as priority.

This policy is based on, and reflects, the principles of both UK legislation and guidance and other relevant Living Learning English policies and procedures. The approach has been developed in such a way as to be consistent with 'Best Practice' within the field of child protection.

The welfare of the child or young person is the paramount consideration. All children and young people, regardless of age, disability, gender, racial or ethnic origin, nationality, religious belief and sexual identity have a right to protection from harm or abuse.

It is not intended that the policy should restrict staff from normal ways of working, but Homestay Hosts and Members of Staff always need to consider how their actions and behaviour may be perceived as opposed to how it is intended. In the event that an allegation is made, both homestay hosts, teachers and staff can not rely on their reputation or "good name" to protect them.

Principles of Good Practice

LLEG undertakes to:

- treat children and young people with care, dignity, respect and always act within the child's best interest
- recognise that those working for LLEG will be perceived by children and young people as trusted adults.
- ensure communication with children and young people is open, honest and clear
- assess the risks to children for all activities and operations

*SP4 – LLEG Child Protection Policy and Procedure***Living Learning English Guardianship Responsibilities**

Emma Langton is the Designated Safeguarding Lead (DSL) and has responsibility for implementing the Living Learning English Child Protection Policy and ensuring appropriate training has been undertaken. The DSL is responsible for reporting any allegations of child abuse that occur.

Aims

- All staff must understand the responsibility placed on LLEG for child protection
- All staff and adults in the homestay household have a duty of care to protect children and young people from abuse, and this is part of our safeguarding children procedure.
- All staff and adults in the homestay household must understand their responsibilities in being alert to the signs of abuse and their responsibility for referring any concerns to the DSL.
- Not all concerns about children or young people relate to abuse, however all information and concerns no matter how trivial they may seem must always be passed on to the DSL.
- If you are worried or concerned about a child, it is not your responsibility to investigate and decide if it is abuse. It is your responsibility to act on your concerns and to pass all information to the DSL.

Definition of Abuse

The definitions of abuse detailed below are as detailed in the statutory guidance for schools and colleges: Keeping Children Safe in Education 2018

- **Physical Abuse** – a form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
- **Sexual Abuse** – involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children. The sexual abuse of children by other children is a specific safeguarding issue.

SP4 – LLEG Child Protection Policy and Procedure

- **Emotional Abuse** – the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child’s emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or ‘making fun’ of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child’s developmental capability as well as overprotection and limitation of exploration and learning, or preventing the child from participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.
- **Neglect** – the persistent failure to meet a child’s basic physical and/or psychological needs, likely to result in the serious impairment of the child’s health or development. Neglect may occur during pregnancy, for example, as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child’s basic emotional needs.

Historical Abuse

There may be occasions when a child will disclose abuse which occurred in the past. This information needs to be treated in exactly the same way as a disclosure of current child abuse.

*SP4 – LLEG Child Protection Policy and Procedure***Confidentiality and Appropriate Disclosure of Information**

Confidentiality and trust is crucial to all our relationships, but the welfare of the child is paramount. The law does not allow anyone to keep concerns relating to child abuse to themselves. All concerns must be passed on to the Designated Safeguarding Lead.

All information that has been collected on any child will be kept locked and secure and access will be limited to the Designated Safeguarding Leads and appropriate authorities.

Whilst parents/carers have the right to see any records kept on their child, this might not always be appropriate, and should not put the child at risk.

It is very important that only those who need to know (the Designated Safeguarding Lead at LLEG), actually know, to avoid rumour and gossip that could affect the child or parent/carer.

In the event of an criminal investigation it is essential that no information on child protection concerns relating to a child are disclosed inappropriately. Any such leaks could have serious consequences for both the child concerned and any investigation.

The Severn Golden Rules to Sharing Information

As detailed in the HM Government 's guidance : Information Sharing advice for practitioners providing safeguarding services to children, young people, parents and carers. 2018

- 1, Remember the General Data Protection Regulation (GDPR), Data Protection Act 2018 and human rights law are not barriers to justified information sharing but provide a framework to ensure that personal information about living individuals is shared appropriately.
- 2, Be open and honest with the individual (and/or their family where appropriate) from the outset about why, what, how and with whom the information will, or could be shared and seek their agreement unless it is unsafe or inappropriate to do so.
- 3, Seek advice from other practitioners , if you are in any doubt about sharing the information concerned, without disclosing the identity of the individual where possible.
- 4, Where possible share information with consent , and where possible, respect the wishes of those who do not consent to having their information shared. Under the GDPR and Data Protection Act 2018 you may share information without consent if, in your judgement there is lawful basis to do so, such as where safety may be at risk. You will need to base your judgements on the facts of the case. When you are sharing or requesting personal information from someone, be clear of the basis upon which you are doing so. Where you do not have consent, be mindful that an individual might not expect information to be shared.

SP4 – LLEG Child Protection Policy and Procedure

5, Consider safety and well-being: base your information sharing decisions on considerations of the safety and well-being of the individual and others who may be affected by their actions.

6, Necessary, proportionate, relevant, adequate, accurate, timely and secure: ensure that the information you share is necessary for the purpose of which you are sharing it, is shared only with those individuals who need to have it, is accurate and up-to-date, is shared in a timely fashion and is shared securely.

7, Keep a record of your decision and the reasons for it – whether it is to share information or not. If you decide to share, then record what you have shared, with whom and for what purposes.

Recognising Abuse

Recognising abuse is one of the first steps in protecting children and young people. There could be signs or behaviour that make you feel concerned. All Homestay Hosts and Members of Staff should be alert to the following types of behaviour in the children:

- A change in personality or behaviour
- Becoming aggressive, withdrawn or clingy
- Seeming preoccupied or to be keeping a secret
- Becoming insecure and/or constantly seeking reassurance
- Unexplained injuries or inconsistent explanations of bruising, injuries or burns
- Drug and/or Alcohol misuse
- A drop in school performance
- Becoming over-emotional or over-reacting to a reasonable request
- An unreasonable fear of certain people or places
- Acting in an inappropriate way perhaps with adults, other children, toys or objects
- Sexually explicit language and behaviour
- Participating in risky behaviour or activities
- Stops eating and/or sleeping
- Having unexplained amounts of money and expensive clothing
- Begins to bully other children or adults
- Is in a relationship with an older and/or controlling person
- Pregnancy symptoms
- Obsessive internet use
- A disclosure of abuse
- Drawing inappropriate pictures or writing about explicit abuse in stories or written work.

Child Sexual Exploitation (CSE)

CSE is a form of sexual abuse where children are sexually exploited for money, power or status. It can involve violent, humiliating and degrading sexual assaults. In some cases, young people are persuaded or forced into exchanging sexual activity for money, drugs, gifts, affection or status..

Consent cannot be given, even where a child may believe they are voluntarily engaging in sexual activity with the person who is exploiting them. Child sexual exploitation doesn't always involve physical contact and can happen online. A significant number of children who are victims of sexual exploitation go missing from home, care and education at some point.

Some of the following signs may be indicators of sexual exploitation:

- Children who appear with unexplained gifts or new possessions;
- Children who associate with other young people involved in exploitation;
- Children who have older boyfriends or girlfriends;
- Children who suffer from sexually transmitted infections or become pregnant;
- Children who suffer from changes in emotional well-being;
- Children who misuse drugs and alcohol;
- Children who go missing for periods of time or regularly come home late; and
- Children who regularly miss school or education or don't take part in education.

Female Genital Mutilation (FGM)

FGM is a form of child abuse and as such is dealt with under Living Learning English's Child Protection policy.

FGM is a grave violation of the human rights of girls and women. 'Female Genital Mutilation (FGM) comprises all procedures that involve partial or total removal of the external female genitalia or other injury to the female genital organs for non-medical reasons' – definition supplied by the World Health Organisation (2018).

Suspensions should be raised after a child has had a prolonged absence from school together with noticeable behaviour change. This could be after a return from a holiday or you may notice a child is spending long periods of time away from school. In conversation, a child may talk about and express anxiety about a special ceremony or they may be worried about returning to their home country after their English course or when their school term has finished.

A child is at risk of FGM if they come from a community that is known to practice FGM. Countries where FGM is most commonly practiced include **Kenya, Somalia, Sudan, Sierra Leone, Egypt, Nigeria and Eritrea**. However, girls from non-African communities that are also at risk include those from **Yemen, Indonesia, Pakistan and Kurdish nationals**.

A child who has undergone or who is at risk of FGM should be seen as a child protection issue and advice should be sought from the Designated Safeguarding Lead who will make a referral to Social Services and the Police.

Peer on Peer Abuse

Children can abuse other children. We acknowledge that Peer on peer abuse can occur at any age and other Safeguarding issues can also manifest themselves via peer on peer abuse. LLEG make it clear that any kind of abuse will not be tolerated and peer on peer abuse will not be dismissed as “banter” or seen as an inevitable part of growing up. Peer on Peer abuse is no different to any other form of abuse and must be dealt with as any other safeguarding issue.

Peer on peer abuse could happen within our organisation and may include:

- Bullying (including cyberbullying); Please see SP 8. Bullying policy and Procedure..
- Physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- Sexual violence and sexual harassment: Please see below;
- Sexting (also known as youth produced sexual imagery). Please see below; and
- Initiation/hazing type violence and rituals. Please see below.

Sexual Violence and Sexual Harassment

Sexual Violence refers to the sexual offences under the Sexual Offences Act 2003 and includes rape, assault by penetration and sexual assault. Sexual harassment is defined as any behaviour in a sexual context which is unwanted and can include sexual exploitation, unwanted sexual remarks on social media, groping, flicking bras, sexual comments, making up sexual stories, making sexual remarks about clothing, deliberately touching another person or brushing against them, drawing sexual pictures, requesting sexual favours or making sexual jokes. Sexual violence and harassment is never acceptable and any incidences will be passed on to the police.

Sexting

Sexting' is the exchange of self-generated sexually explicit images, through mobile picture messages or webcams over the internet. Young people may also call it: “Cybersex” or “sending a nudie”, or “dick pic”.

'Sexting' is often seen as flirting by children and young people who feel that it is part of normal life. It may be common but 'sexting' is illegal. By sending an explicit image, a young person is producing and distributing child abuse images and risks being prosecuted, even if the picture is taken and shared with their permission.

When images are stored or shared online they become public. They can be deleted on social media or may only last a few seconds on apps like Snapchat, but images can still be saved or copied by others. These images may never be completely removed and could be found in the future, for example when applying for jobs or university.

SP4 – LLEG Child Protection Policy and Procedure

Young people may think 'sexting' is harmless but it can leave them vulnerable to:

Blackmail - An offender may threaten to share the pictures with the child's family and friends unless the child sends money or more images.

Bullying - If images are shared with their peers or in school, the child may be bullied.

Unwanted attention - Images posted online can attract the attention of sex offenders, who know how to search for, collect and modify images.

Emotional distress - Children can feel embarrassed and humiliated. If they are very distressed this could lead to suicide or self-harm.

LLEG are committed to helping young people to use privacy settings, to block inappropriate people, remove content they have shared online and to report offensive and inappropriate content which other people have posted to get it removed. Please report all incidences to the Designated Safeguarding Lead.

Initiation/hazing violence and rituals

LLEG staff may have their suspicions raised if a child discloses an incident which has happened to them or a friend.

Situations may include but are limited to, pupils being asked to complete dares, pretending to capture or kidnap other pupils, removing items of clothing, being branded, forced consumption/ingestion of spicy foods, alcohol, drugs or other harmful substances etc., whipping, hitting or burning, public nudity, mistreatment of animals, forced sexual activity, self-harm and shaving parts of the body.

Disclosures of Initiation/hazing violence and rituals should be dealt with the same as any other disclosure of abuse and passed on to the Designated Safeguarding Lead.

*SP4 – LLEG Child Protection Policy and Procedure***Steps to take if a child makes a disclosure of abuse**

- 1, **Stay calm** and be aware of your own emotions , reactions and non-verbal messages.
- 2, **Listen** carefully to what the child/young person is saying. NEVER interrupt the child until they have finished their disclosure.

- 3, Follow **TED Rules** to clarify any information that is unclear.

Tell Me

Explain to me

Describe to me

NEVER ask leading or closed- ended questions, for example, do not ask: what did they do next?

- 4, **Reassure** the child and acknowledge their courage.

- 5, Suggested **responses**: “ What you are telling me is important “

“ I am glad you were able to tell me”

“This is so important that I need to ask somebody else for help “

Do not promise the child that this can be kept secret, as subsequent disclosure could then lead to the child feeling betrayed. Explain that you are **legally obliged** to inform other people who have been trained to help. Reassure the child that the Safeguarding Lead will be informed and will be looking to help to protect them.

- 6, Record as soon as possible and use the **actual words** used by the child. Make your notes as detailed as possible, including when and where the conversations took place. Draw a diagram, if appropriate, to show the position of any bruises or marks the child or young person shows you, trying to indicate the size, shape and colour

- 7, Keep all records **factual**. Do not make an assumptions or judgements. All children who come to adults for help must be believed and the information disclosed must be passed on. It is not your responsibility to make any judgements about whether or not the information is true. Remember to store all records securely.

SP4 – LLEG Child Protection Policy and Procedure

8, Do not interrogate the child, or push for more information. Do not ask the child/young person to repeat what they have told you, for another person. Record accurately.

9, Pass on the disclosure to the Designated Safeguarding Lead **IMMEDIATELY** or in her absence the Deputy Designated Safeguarding Lead:

Designated Safeguarding Lead: Emma Langton

Mobile: 07766 798 679

LLE Emergency mobile: 07425137794 (24 hours a day, 7 days a week)

10, The Designated Safeguarding Lead will advise on what action will be taken and make the necessary referrals to Children's Social Services and/or police. The person to whom the disclosure was made should ensure that the child is informed about what will happen next, so they can be reassured about what to expect.

Allegations against under 18s

Under 18s facing an accusation of child abuse will need additional support, especially as their parents will be overseas. The **Designated Safeguarding Lead** will carry out a risk assessment and put an action plan in place for any child under 18 who has faced an allegation.

*SP4 – LLEG Child Protection Policy and Procedure***Consulting with Children's Services or the NSPCC**

If you are not happy or satisfied with the response from LLE or the Designated Safeguarding's Lead you are able to contact your local authority or the NSPCC directly to pass on your concerns.

You can also contact your local authority if a child discloses information or you have concerns about the Designated Safeguarding Leads. For further information on LLEG Whistleblowing Procedures please refer to SP 6: LLEG Whistleblowing Policy

*SP4 – LLEG Child Protection Policy and Procedure***What to do if Abuse is Suspected**

- The Homestay Host or Member of Staff should keep monitoring the child's behaviour, making a note of any particular concerns (when, where and what happened).
- Continue to discuss all concerns with the Designated Safeguarding Lead.
- You should remember that if abuse is taking place, it is usually by someone who is known to the child, often not the parents but other family members or friends. Parents are sometimes the last to know.
- It is important to remember that if you report concerns, you are not reporting the parents/carers – you are reporting to protect the welfare of the child.
- If appropriate, inform parents/carers that you are going to report your suspicions or concerns. This might not always be possible and should not put the child or yourself at risk.
- If your Local Children's Social Care Referral and Assessment Team (Social Services) has been contacted, they should let you know that they are responding to what you have told them. It is unlikely that you will be told what action has been taken unless it has implications. If you have not heard from the Referral and Assessment Team, it may be appropriate to contact them to ensure that the details you gave them have been taken into consideration and acted upon.

Abuse of Position of Trust

If it appears that a teacher, homestay host/member of homestay host household or a member of LLEG Staff has:

- behaved in a way that has harmed a child, or may have harmed a child, or
- possibly committed a criminal offence against or related to a child, or
- behaved in an inappropriate way towards a child which may indicate that he or she is unsuitable to work with children

then the following procedures must be followed:

- record your concerns the same as a disclosure and pass on immediately to the Designated Safeguarding Officer (DSL).
- the DSL will take steps to ensure that particular person is not left in sole charge of any child
- the DSL will contact the Local Authority Designated Officer (LADO) to ask for advice and how to proceed and to give details of the concern
- LLEG will then follow the LADO's advice on how to deal with allegations against staff
- while support will be offered to the staff member involved, LLEG staff will ensure that the agencies concerned are given all assistance in pursuing any investigation

Support to Homestay hosts and Staff

LLEG will fully support all Homestay Hosts and Members of Staff in following this procedure. Following an allegation or investigation, Homestay Hosts and Members of Staff are able to talk to the Designated Safeguarding Officer and any of the appropriate agencies detailed in this Policy.

Recruitment of Homestay hosts and Staff

We acknowledge that people who pose a threat to children may be attracted to employment that allows them access to children and young people. As part of the LLEG Safeguarding Policy, we will ensure that people working with the children are safe to do so. Our safe recruitment procedures are detailed in SP5 – Safer Recruitment Policy and Procedure.

Obligation to Report

LLE must refer details to the Disclosure and Barring Service (DBS) when a alleged person has resigned or they have been dismissed because they have harmed or could harm children or vulnerable adults. The information must be referred to the DBS as soon as it becomes known.

Implementation and Monitoring

- LLEG will appoint a person with responsibility for child protection and safeguarding known as the Designated Safeguarding Lead (DSL)
- This person will receive reports from teachers, homestay hosts and/or staff of any occasions when there are concerns or issues of Child Protection. These reports will be filed and kept securely by the Designated Safeguarding Lead (DSL) for 5 years. Only the DSL and their deputy will have access to these records.
- LLEG will review this policy annually to ensure it is being implemented. Appropriate action will be taken if deemed necessary, through consultation with the agencies referred to below.

SP5 – Safer Recruitment Policy and Procedures for Homestay Hosts

Date of policy: 20th May 2015

Last reviewed: 2nd January 2018, 14th December 2018

Next review date: December 2019

LLEG is committed to recruitment procedures and practices which aim to prevent the appointment of people who may pose a risk to children; this is an essential part of safeguarding. The robust screening of applicants is proven to act as a deterrent for offenders seeking employment with access to children in order to harm them. To this end, LLEG seeks the understanding and cooperation from homestay hosts and their families new to LLEG in the recruitment process and compliance with on-going requests for information and home visits.

DBS (Disclosure and Barring Service)

The work of LLEG is classified by the government as regulated activity. This is the term most commonly used to describe roles where a suitability/criminal records check is required – roles involving responsibility for or substantial access to under 18s. In very broad terms, regulated activity is any position that has direct contact with children. Any person that is engaged in ‘regulated activity’ as defined by the Safeguarding Vulnerable Group Act 2006 (England & Wales) and parallel laws in Scotland and Northern Ireland requires an enhanced disclosure check.

- LLEG will ensure that every permanent member of the household aged 16 and over will have a current, clear and valid Enhanced DBS check with children’s barred list check if appropriate .
- LLEG will ensure we have received a self-declaration from the applicant .
- LLEG homestay hosts are required to register annually for the DBS Update Service.

Any criminal records (including spent convictions) will be considered with reference to the Rehabilitation of Offenders Act 1974 and Exceptions to the Act.

Recruitment

Recruitment materials (homestay host information) include reference to LLEG’s commitment to safeguarding the welfare of every pupil in its care and all adults associated with our organisation will be expected to share our ethos and actively engage in looking after our pupils safely, especially under 18s.

Two references are requested for every homestay host. References will be followed up and referees will be asked whether there is any reason not to engage the applicant where they have substantial access to under 18s. Follow up phone calls are made to verify the references (recorded on a spreadsheet and in the homestay host record on the LLEG database).

- LLEG will seek a full employment history for prospective homestay hosts and reserves the right to approach any previous employer. All gaps in CVs must be explained.

SP5 – LLEG Safer Recruitment Policy and Procedures for Homestay Hosts

- Proof of identity is required (original documents will be checked on the initial home visit).
- Interview questions will explore a potential LLEG homestay host's attitude to working with under 18s and their knowledge of safeguarding children.
- Interview questions about disability and health will be asked in order to establish whether there may be any physical or mental obstacles to homestay hosts fulfilling their specific role that cannot be overcome.
- Homestay Hosts are obliged to inform LLEG of any change of circumstance within the home which may affect child protection, e.g. addition of household members over the age of 16.
- A single central register of all checks made during recruitment is kept at the LLEG Head Office.

Induction

LLEG is responsible for ensuring that their homestay hosts and families understand their safeguarding responsibilities for LLE Guardianship Pupils under 18 and are skilled and confident in managing the homestay and in looking after children.

The LLEG Induction Process

- All homestay hosts will have access to detailed policies and guidance on their responsibilities, institutional policies, procedures and expectations of professional conduct and ethical behaviour relating to under 18s.
- A **homestay/welfare/safeguarding induction** is carried out by an LLE Guardianship Manager.
- LLEG homestay hosts are required to undertake online Basic Child Protection Awareness Training (Level 1 Safeguarding).
- Electronic copies of the completed welfare induction form will be stored in the homestay host's records, along with the Level 1 Safeguarding certificate.
- LLE Guardianship Managers are then fully available in office hours for any further contact to respond to queries from homestay hosts.
- Out of hours, a 24 hour emergency phone number is available staffed by LLEG at all times.

SP5 – LLEG Safer Recruitment Policy and Procedures for Homestay Hosts

Updates to policies: Updates to policies are sent by email to all registered LLEG homestay hosts.

Ongoing training: LLEG holds regular seminars and in-house training events for homestay hosts including safeguarding and welfare of pupils.

All homestay hosts and their families should be fully aware of systems within LLEG which support safeguarding and these are explained to homestay hosts as part of the induction process. This includes: LLEG's safeguarding policy; the code of conduct; and the designated safeguarding lead; child protection training and e-safety.

All adults in contact with under 18s need to demonstrate appropriate knowledge of this policy, their responsibilities and the procedures for reporting any incident of harm or abuse.

Recruitment of ex-offenders

LLEG will not unfairly discriminate against any applicant on the basis of conviction or other details revealed. LLEG makes recruitment decisions on the basis of merit and ability, if an applicant has a criminal record this will not automatically bar him/her from working with LLEG. In view of the fact that all positions within LLEG will amount to "regulated positions" within the meaning of the Protection of Children Act 1999 (as amended by the Criminal Justice and Courts Services Act 2000), they are exempt from the Rehabilitation of Offenders Act 1974.

All convictions, cautions, reprimands or final warnings that are not "protected" as defined by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (as amended in 2013) must be declared when applying for a position at LLEG. Failure to disclose a previous conviction may lead to an application being rejected or, if the failure is discovered after a homestay host starts working with us, may lead to termination of contract on the grounds of gross misconduct. A failure to disclose a previous conviction may also amount to a criminal offence under the relevant legislation, it is unlawful for LLEG to work with anyone who is included on the barred lists maintained by the DBS of individuals who are considered unsuitable to work with children or vulnerable adults

It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position within LLEG. LLEG will report the matter to the Police and the DBS if:

- LLEG receives an application from a disqualified person
- LLEG is provided with false information in, or in support of an application
- LLEG has serious concerns about an applicant's suitability to work with children

Retention of records

If an applicant is appointed, LLEG will retain any relevant information provided on their application form (together with any attachments) and the pre-employment check data on their personnel file. If the application is unsuccessful, all documentation relating to the application will normally be confidentially destroyed after six months.

You're a whistleblower if you're an employee or agency worker and you report certain types of wrongdoing. This will usually be something you've seen at work - though not always. The wrongdoing you disclose must be in the public interest. This means it must affect others, e.g. the general public. As a whistleblower you're protected by law - you shouldn't be treated unfairly or lose your job because you 'blow the whistle'. You can raise your concern at any time about an incident that happened in the past, is happening now, or you believe will happen in the near future.

You're protected by law if you report any of the following:

- a criminal offence, e.g. fraud
- someone's health and safety is in danger
- risk or actual damage to the environment
- a miscarriage of justice
- the company is breaking the law, eg: doesn't have the right insurance
- you believe someone is covering up wrongdoing

Personal grievances (e.g. bullying, harassment, discrimination) aren't covered by whistleblowing law, unless your particular case is in the public interest.

Who to tell and what to expect

You can report your concern to the Principal at LLEG. There are other options if you don't want to report your concern to LLEG, e.g. you can get legal advice from a lawyer, or tell a prescribed body such as AEGIS. If your concern is regarding the treatment of a child you can contact the NSPCC.

Making your claim anonymously or confidentially

You can tell LLEG or a prescribed body anonymously but they may not be able to take the claim further if you haven't provided all the information they need. You can give your name but request confidentiality - the person or body you tell should make every effort to protect your identity. If you report your concern to the media, in most cases you'll lose your whistleblowing law rights.

What LLEG or a prescribed body will do

LLEG or the prescribed body will listen to your concern and decide if any action is needed. You may be asked for further information. You must say straight away if you don't want anyone else to know it was you who raised the concern. You won't have a say in how your concern is dealt with. LLEG or the prescribed body can keep you informed about the action they've taken, but they can't give you much detail if they have to keep the confidence of other people.

Not satisfied with how your concern was dealt with? Contact [ACAS](#) or [Public Concern at Work](#)

SP8 – Bullying Policy and Procedure

Date of policy: 20th May 2015

Last reviewed: 2nd January 2018, 14th December 2018

About Bullying

Bullying can occur in any group of people whatever its type or size or the age of its members. There are many different forms of bullying; at one end of the scale it can be teasing and at the other it becomes serious assault or harassment. Verbal and psychological bullying can be just as harmful and hurtful as physical violence. Sexual and racial harassment are particularly serious forms of bullying. Many children, and adults, are bullied because they are seen to be 'different' – because of their race, religion or culture, because of their sexuality, because of their gender, or because of any special educational needs or disabilities they may have.

Signs of Bullying

Some of the ways in which children and young people have described bullying include:

- being called names or being teased
- being pushed, hit, kicked, poked or physically hurt in some way
- having money or personal possessions taken or damaged
- having rumours spread or being ignored or left out
- being threatened or made to feel frightened or intimidated
- being stalked

Cyberbullying

Our definition of Cyber bullying includes but is not limited to the following behaviours, abusive or threatening emails or messages, posting abusive comments on social media sites, sharing humiliating videos or photos of someone else, stealing someone's online identity, spreading rumours online, trolling – sending menacing or upsetting messages through social networks, chatrooms or games, developing hate sites about another person, prank calls or messages, group bullying or exclusion online, anonymous messaging, encouraging a young person to self-harm on-line and/or pressuring children into sending inappropriate material.

We acknowledge that bullying online can differ from offline bullying in that it can be inescapable, anonymous, widely shared and can be stored permanently. People may bully online as a form of entertainment, for revenge or to protect a friend. In all cases this behaviour is unacceptable.

LLEG Safeguarding Policy (SP)

SP8 – Bullying Policy and Procedure

Date of policy: 20th May 2015

Last reviewed: 2nd January 2018, 14th December 2018

Next review date: December 2019

It is important through our day-to-day work that we educate children about the harm online and offline bullying can do. Any child who experiences bullying should feel supported, believed and that they can share their concerns with any member of staff, teacher or homestay host. All concerns and disclosures must be passed on to the Designated Safeguarding Lead following the normal procedures.

Effects of Bullying

The effects of bullying can lead to children and young people to:

- becoming depressed and/or suicidal
- experiencing low self esteem
- becoming shy and withdrawn
- self-harm
- becoming self-conscious
- experiencing physical complaints, like constant stomach aches and headaches, which are brought on by stress
- feeling anxious
- becoming aggressive
- to start to bully other children or adults

LLEG does not tolerate the bullying of other people in any form whatsoever and all incidents of bullying reported to LLEG will be fully investigated.

LLE Guardianship pupils will:

- respect other people, their space and their belongings
- be kind to others, even if they are not our friends
- not walk away if we see someone being bullied
- try to get help and tell a responsible adult
- ask for help if we are being bullied

LLE Guardianship pupils are given the following advice about bullying:

- Talk to or contact someone you trust, such as your homestay host, parent, friend or your Agency / ETO (Educational Tour Operator)
- Be persistent. If the first person you talk to doesn't help, don't give up. Speak to someone else.
- If you can, write down everything that has been said or done to hurt you. Try to write down how you feel. When you have found someone you can trust, discuss what you have written.
- If you find it difficult to talk to an adult ask someone to talk to an adult on your behalf.
- Telephone the LLEG emergency number: +44 (0) 7425 137794
- Telephone the Guardianship Manager in the LLE Office: +44 (0) 117 9269410
- Telephone ChildLine (Freephone 0800 1111). Their helpers provide a confidential helpline for young people
- Most importantly, do something. Sometimes bullying stops quickly, but doing nothing means it may continue until someone is seriously upset or hurt.

LLEG Safeguarding Policy (SP)

SP9 – E-Safety Policy

Date of policy: 20th May 2015

Last reviewed: 2nd January 2018, 14th December 2018

Next review date: December 2019

This policy applies to all members of the LLEG community (including staff, pupils, parents/carers, visitors and guests in the homestay). It is a statement of the aims, principles, strategies and procedures for e-safety throughout LLEG. The E-Safety Policy should be read in conjunction with our Data Protection and Information Sharing Policy and Safeguarding Policy.

You have a responsibility to the Guardianship pupils in your care to know what they are doing online during their stay with you.

What is E-Safety?

E-Safety refers to child protection and safeguarding of both children and adults in the digital world. It is about learning to understand and use technologies in a safe, positive way, also about supporting children and adults to develop safe online behaviours.

Risks to pupils who use the internet include:

- exposure to inappropriate materials, for example, pornographic pictures and videos
- physical danger and sexual abuse, for example, through ‘grooming’
- cyberbullying – persistent bullying through the digital medium
- losing control over pictures and videos
- obsessive use of the internet and ICT, for example, addiction to video games
- damage to online reputation
- inappropriate or illegal behaviour, for example, exposure to hate mail or offensive images
- viruses, hacking and security
- exposure to extremist material and the possibility of radicalisation
- copyright infringement, for example, the illegal sharing of music, pictures, video or documents

E-Safety is largely concerned with internet communications. The internet is accessible from computers, laptops, tablets, mobile phones, games consoles and other devices like the iPod Touch and internet connected TV. Other communication technologies such as texting and phone calls are also covered by the term ‘E-Safety’.

Why provide internet access?

The internet is an essential element in 21st century life for education, business and social interaction. LLE encourages the provision of quality internet access to enable Guardianship pupils to communicate with home and as a necessary tool for school work.

Access to internet

LLEG homestay hosts are expected to install appropriate parental control software on their routers.

Parental controls however cannot block all inappropriate content on-line. A young person who is actively seeking inappropriate content online might be good at disabling or getting around blocking filters and hiding their search history.

We recommend turning off access to the internet during the night where student's internet usage cannot be monitored.

Homestay hosts should be aware of the content of the computer games students are playing, e.g. violence, gambling, sex, drugs, swearing. Please refer to the PEGI rating. If in doubt please check with the Guardianship Managers.

Children can be exposed to biased and extreme opinions on-line for example, eating disorder websites which glorify Anorexia, self-harm sites etc. We need to teach the children in our care how to evaluate what they read and see online and empower children to make safe and informed decisions. Children should be reminded that not everything they read on-line represents the truth.

Internet

- LLE Guardianship pupils aged 10-14 must have adult supervision whilst using the internet.
- LLE Guardianship pupils will be encouraged to tell their homestay host immediately if they encounter any material that makes them feel uncomfortable.
- Internet access will be filtered appropriate to the age of the pupils.

Email

- All emails sent must be professional in tone and content.
- LLE Guardianship pupils must immediately tell an adult if they receive offensive email.
- LLE Guardianship pupils must not reveal personal details of themselves or others in email communication (such as address or telephone number). LLE Guardianship pupils must not arrange to meet anyone without specific permission.
- LLE Guardianship pupils should be made aware that the writer of an email (or the author of a web page) may not be the person claimed.

Social Networking

- All staff and homestay host family members must not accept friend requests from pupils or parents on social media accounts or interact with any pupils or parents via any form of social media.
- Host Families must not post photos of guardianship pupils aged under 18 on their personal social media accounts.

LLEG homestay hosts shall:

- behave responsibly and professionally at all times in connection with the use of social networking sites and keep up to date with privacy policies of the sites they use.
- use their professional judgment and, where no specific guidance exists, take the most prudent action possible and consult with the Principal of LLEG if they are unsure
- co-operate with LLEG in ensuring the implementation of this policy

Chatrooms and Instant Messaging

- LLE Guardianship pupils are not permitted to use these facilities on a homestay host's computer

LLE Guardianship Pupils:

- must hand mobile phones, tablets, portable electronic games and media players brought to the homestay to the homestay host at night-time, if requested by the homestay host
- are forbidden from sending abusive or inappropriate text messages
- may have their internet activity checked

LLEG Homestay Hosts:

- are allowed to take digital photographs and video images of LLE Guardianship Pupils, but must follow guidance in the LLEG Photography Policy concerning the taking, sharing, distribution and publication of those images

LLEG Website:

- The point of contact on the website will be the Guardianship Organisation address, email and telephone number. Homestay host or pupil personal information will not be published.
- Website photographs that include LLE Guardianship Pupils will be selected carefully and will only be published with parental permission.
- LLE Guardianship Pupils' full names will not be used anywhere on the website, particularly in association with photographs.

Cyberbullying

Cyberbullying is the use of the internet and related technologies to harm other people, in a deliberate, repeated, and hostile manner. When children are the target of bullying via mobile phones, gaming or the internet, they can often feel very alone and, a once previously safe and enjoyable environment, can become threatening, harmful and a source of anxiety. Cyberbullying (along with all forms of bullying) will not be tolerated. All incidents reported will be recorded and investigated. Please refer to SP8: LLEG Bullying Policy and Procedure.

LLEG Homestay Host Data Security

- LLEG homestay hosts must not share their user account details and must not leave their computers unlocked and accessible to pupils.
- In line with the General Data Protection Regulations 2018 (GDPR). LLEG Homestay hosts must ensure that any sensitive data that LLEG makes available to them, for example, on the student/pupil booking letter, transfer confirmation or any other document is stored securely (e.g. in a folder with a password on an encrypted device) and deleted after the homestay. This data must not be passed on to a third party.

LLE Guardianship Pupils

- All LLE Guardianship Pupils must sign the Code of Conduct and Pupil Agreement for Guardianship Pupils.
- E-Safety rules will be given to Guardianship Pupils in their pupil handbook.
- Any breaches of the Code of Conduct with reference to ICT will be referred directly to LLEG and Internet access will be denied.
- LLE Guardianship Pupils will be informed that network and internet use on a homestay host's computer will be monitored.

Parental Support

- Parents' attention will be drawn to LLEG's E-Safety Policy in the parent handbook.
- Parents will be asked to read through the LLE Guardianship Pupil Code of Conduct with their child and for the pupil to sign the agreement.

Policy Implementation

All new LLEG homestay hosts receive e-safety advice and guidance as part of their induction programme to ensure they understand their responsibilities, as detailed in this policy.

Using images of children: photographs, videos, websites and social media

We live in an age in which digital technology has vastly increased the use, and potential misuse of photography. Photographs for LLEG, pupil and homestay host uses and those that appear in the press and LLEG social media, are a source of pleasure and pride.

Providing reasonable steps are taken to ensure an appropriate photograph, and to protect the full name and contact details, photography of LLE Guardianship Pupils by homestay hosts, staff and the media is allowed, within safe practice guidelines.

Issues of Consent

The Data Protection Act 2018 affects our use of photography. This is because an image of a child is personal data for the purpose of the Act, and it is a requirement that consent is obtained from the parent of a young person under the age of 18 years for any photographs or video recordings. It is also important to ascertain the views of the child.

Consent is sought from parents on the Guardianship Pupil Application form for images to be used by LLEG.

Homestay hosts and their families may not use images of LLE Guardianship pupils online without the express consent, in writing of LLEG.

Parents and the child retain the right to withdraw consent at any stage, but they need to do so in writing.

LLEG will:

- never use a pupil's full name online to accompany a photograph
- use the minimum information necessary to accompany a photograph
- only use images of children in suitable dress (not swimming costumes, for example)
- store photographs securely for authorised LLEG use only
- only use images of under 18s where permission has been granted

Trips and activities must be organised with great care as pupils will probably be in unfamiliar surroundings, in a different culture, with varying degrees of confidence in spoken English. Please implement the guidelines below at every opportunity in order to establish good practice.

- Plan your trip well in advance: times, maps and details of meeting points.
- A risk assessment should be carried out for each activity/excursion with the pupil and placed on your home file.
- Guardianship pupils should have their mobile phones fully charged, switched on at all times, with sufficient credit for emergencies and have emergency numbers to call (homestay host and LLEG emergency phone number) stored in their phones.
- Homestay hosts should always have the mobile numbers of all pupils.
- Homestay hosts should agree on meeting places and times with their pupils, and these should be marked on maps.
- Under 18s who have parental permission may be given some free time to explore by themselves but must always tell their homestay host where they are going and what time they will return.
- Homestay hosts and pupils will need to agree a clear procedure in the event of a pupil becoming lost on an excursion, e.g. to wait as long as possible at the agreed meeting point, and LLEG contacted and the police being informed if the pupil fails to appear before a reasonable time.
- Take particular care when crossing the road with your pupil, remind pupils to look the right way!
- No activity or excursion is to be undertaken that falls outside the pupil's insurance cover.
- All activities carrying a high risk level e.g. horse-riding, must be undertaken at a designated centre which carries appropriate insurance.
- Parental permission is required for pupils to take part in high risk activities, e.g. climbing, sailing, skiing and this must be requested through the LLE Guardianship office.
- LLE Guardianship pupils should be made aware of the risks in picking up a taxi on the street and should be advised to pre-book taxis at all times.

Local area

Our Guardianship pupils do not read the many culture-based signals that we are constantly, often subconsciously, interpreting to help us stay safe; they need guidance and help.

In the local area, homestay hosts must provide pupils with some specific and clear guidelines about areas to avoid, using taxis safely, etc. Please add this information to your Home File.

Pupil travel

LLEG is committed to safeguarding the welfare of every pupil in its care and this includes making safe arrangements for arrival, departure and travel within the UK.

Under 18s

- All pupils under 17 travelling without an adult should book a LLEG transfer or be met by a local guardian.
- Travel arrangements are arranged through the Guardianship Manager at LLEG Head Office and not directly with the homestay host.
- In no circumstances will under 16s be allowed to travel alone or by public transport. It is a condition of enrolment on the guardianship scheme that suitable transfer arrangements for pupils are in place.
- Parents will be sent a risk assessment on pupils aged 16 to 18 travelling independently and asked to reconsider their decision based on the information in the risk assessment.
- If a pupil is given permission to travel by public transport to the homestay host, school or airport, then full travel details must be forwarded to the LLE Guardianship Manager. Parents must sign a disclaimer absolving LLEG of all responsibility for the journey as LLEG cannot be responsible for children travelling independently.
- Full transfer booking information is provided by LLEG to the pupil including the meet and greet service, driver telephone number, LLEG emergency telephone number, the destination address and contact details and emergency procedures. The travel information includes the departure airports, flight and times, and any connecting flight details, as well as the arrival data.
- Pupils are given travel advice to accompany their transfer confirmation telling them what documents they need to bring with them and emergency procedures. This is detailed in the pupil handbook
- Pupils are informed that they could be delayed at four points once they have landed: immigration; a possible medical check; waiting for luggage; or at customs control checking what passengers are bringing into the country.
- Pupils are informed that they may be asked detailed questions about why they are coming to the UK, the school, their Homestay Host and family and who is meeting them at the airport. They will never be asked to pay fees or fines,
- Pupils are advised to carry in their hand luggage any essential medication.

Booking Flights

Parents/partners will:

- Book flights in good time to ensure suitable daytime flights are available on the required dates of travel.
- Book flights which arrive/depart between 9am and 9pm. Earlier or later flight times are extremely difficult to manage as they are not acceptable times to arrive or depart as a guest in a homestay host's home and are not compliant with most school policies.
- Complete detailed travel information for the arrival of the child no less than four weeks before the child departs. Last-minute arrangements are not acceptable, as messages could go astray and children could arrive without anyone to meet them.
- Book an Unaccompanied Minor Service for any child travelling alone under 14 directly with the airline and inform LLEG that the child is travelling as a UM so appropriate arrangements for this can be made and the child is handed over to the named LLEG representative.
- Buy an inexpensive mobile for their child before they leave their home country, ensure this is suitable for use in the UK with international roaming, is fully charged and with sufficient credit for an emergency call. The mobile must be switched on as soon as immigration has been passed and LLEG must be provided with the mobile number when sending the travel information.

Safe Travel

- A 24 hour emergency number is available and LLEG appointed drivers or homestay hosts will call the person on duty if there are any problems whatsoever with the travel arrangements, such as delays or flight cancellations.
- Drivers and homestay hosts providing the meet and greet service will stand in a prominent position in the arrivals hall using the LLEG welcome sign with the pupil's name on it.
- LLEG has clear comprehensive lists of arriving and departing pupils, showing the name, sex, age, flight and connection details, airport terminal numbers and mobile numbers available to the weekend duty person. A laptop computer is provided with mobile Wi-Fi so duty staff can check airport information and log onto the LLEG database to check information, access pupil data and check what parental permission has been given on the LLEG Safeguarding Form.
- Taxi companies that LLEG work with have enhanced DBS checks for all their drivers and have signed a service agreement with LLEG to ensure a high quality service.

Shared Transfers

- Where shared transfers are booked, one -and-a-half hours' waiting time with the LLEG representative/driver is the maximum waiting time (except in unplanned events eg: airline delays).

Travel within the Homestay

- Homestay hosts and their families who transport LLEG pupils are required to have their car insured for business use and to comply with the law regarding child restraints.
- Homestay hosts are advised to sit under 18s in the rear of the car when transporting pupils. This avoids any likelihood of any accusations of inappropriate behaviour.

Meeting our Prevent Duties – Tackling Extremism and Radicalisation

The national prevent strategy is designed to reduce the number of serious incidents and to catch anyone, especially vulnerable people before they enter the criminal justice system.

Statement

LLEG understands its responsibilities under the Counter Terrorism & Security Act 2015 to prevent people of all ages being radicalised or drawn into terrorism and seeks to meet its obligations in the ways shown below.

Context

- LLEG accepts pupils aged 10 to 18 all year from around the world.
- LLEG promotes a multi-cultural environment where respect for and tolerance of other beliefs is required.
- LLEG's head office is located in the centre of a multi-cultural city and places Guardianship pupils with homestay hosts in cities, towns and villages all over the UK.

Prevent Lead

- Responsibility for ensuring Prevent Duty is met lies with Kate Hargreaves, Principal – the Lead Contact for the Prevent Strategy.

Risk Assessment and Procedures

- A risk assessment has been produced by the LLEG Lead Contact for the Prevent Strategy and held in the LLEG Head Office; it will be reviewed and updated annually.
- The LLEG Lead Contact for the Prevent Strategy has received training in Prevent policy and risk.
- All members of the LLEG team at head office will undertake Prevent online training.
- All homestay hosts will receive Prevent guidance from LLEG and will undertake online Prevent training.
- LLEG will make and maintain contact with the local police/ local authority Prevent coordinator in all areas where we have pupils to understand their role, the support available, (e.g. via the Channel process) and a list of contacts for referrals.

LLEG will counteract risks by:

- Promoting a safe and supportive international environment via clear expectations of accepted behaviours and those. Including radicalisation and extremism, that will not be tolerated.
- Promoting the core British values:
 - (i) democracy
 - (ii) the rule of law
 - (iii) individual liberty
 - (iv) respectful tolerance of different faiths or beliefs.
- through documents given to pupils (pupil handbook), via information on arrival on British culture and traditions and via homestay placements. The approach is to educate that this is how things are in UK, although it may be different to your country.
- Where possible, developing critical awareness and thought to counter accepting extremism without question, especially of online material.
- Challenging radical or extremist views in any context (formal or informal) via stated procedures. In most situations this would require an immediate response re the tolerance expected, then reporting concerns.
- Being ready to react when world or local events (e.g. Paris attacks) cause upset and the likelihood of conflicting feelings being expressed. Prevent lead to take initiative in these situations.
- Asking homestay hosts to have strong filters on the Internet and clear rules on accessing extremist/terrorist websites/uses of social networks to exchange extremist/terrorist views.
- Homestay hosts getting to know pupils and their circumstances making it easier to spot changes in behaviour.
- LLEG staff and homestay hosts being observant and vigilant in noticing any signs of radical or extremist behaviour.
- LLEG staff and homestay hosts supporting any pupils identified as vulnerable.
- LLEG staff and homestay hosts themselves not supporting or funding and extremist organisations.
- LLEG staff and homestay hosts exemplifying the core British values.

Understanding the risk of extremism

- Staff, pupils and homestay hosts may come into contact with LLEG already holding extremist views. Or, whilst in a homestay, they may be influenced by a range of factors: global events, peer pressure, media, family views, extremist materials (hardcopy or online), inspirational speakers, friends or relatives being harmed, social networks, and more.
- People who are vulnerable are more likely to be influenced.
- Their vulnerability could stem from a range of causes including: loss of identity or sense of belonging, isolation, exclusion, mental health problems, sense of injustice, personal crises, victim of hate crime or discrimination and bereavement.

Understanding terminology

Radicalisation: act or process of making a person more radical or favouring of extreme or fundamental changes in political, economic or social conditions, institutions or habits of mind.

Extremism: holding extreme political or religious views which may deny right to any group or individual. Can be expressed in vocal or active opposition to Core British values and can refer to a range of views, e.g. racism, homophobia, right-wing ideology, as well as any religious extremism.

There are clear procedures which provide step-by-step guidance on what action to take if there are concerns about a child's safety or welfare.	The child protection procedures are available to all (including pupils and their parents) and actively promoted on joining the organisation. 	There are well publicised ways in which staff, homestay hosts and their families, parents and pupils can raise concerns about unacceptable behaviour by anyone within the organisation. These include external contacts such as NSPCC and ChildLine.
