**2023**

The Living Learning English team are really pleased to offer you access to our wide network of professional teachers via our online teaching platform, supported by our experienced team of course managers in the Bristol office who will carefully match you with a teacher who can deliver a course to meet your needs.

You can book a short, intensive course over a week, a series of lessons over a few months (or years!) and combine online lessons with a stay in the UK with one of our home tuition teachers.

As an organisation committed to quality for almost 30 years, we know that you will have the opportunity to make good progress and see a real improvement in your language skills in a short time.

We look forward to meeting you online!

# How does it work?

Our platform works on most up-to-date web browsers and all you need is a fast internet connection and a computer with a webcam and microphone.

Take a screenshot of the work that you have done in each lesson

Interact with your teacher by drawing, writing, or creating shapes on the whiteboard

Create graphs or use symbols for phonetics, change the background

Share resources between you and your teacher, upload them to the whiteboard to work on in your lesson

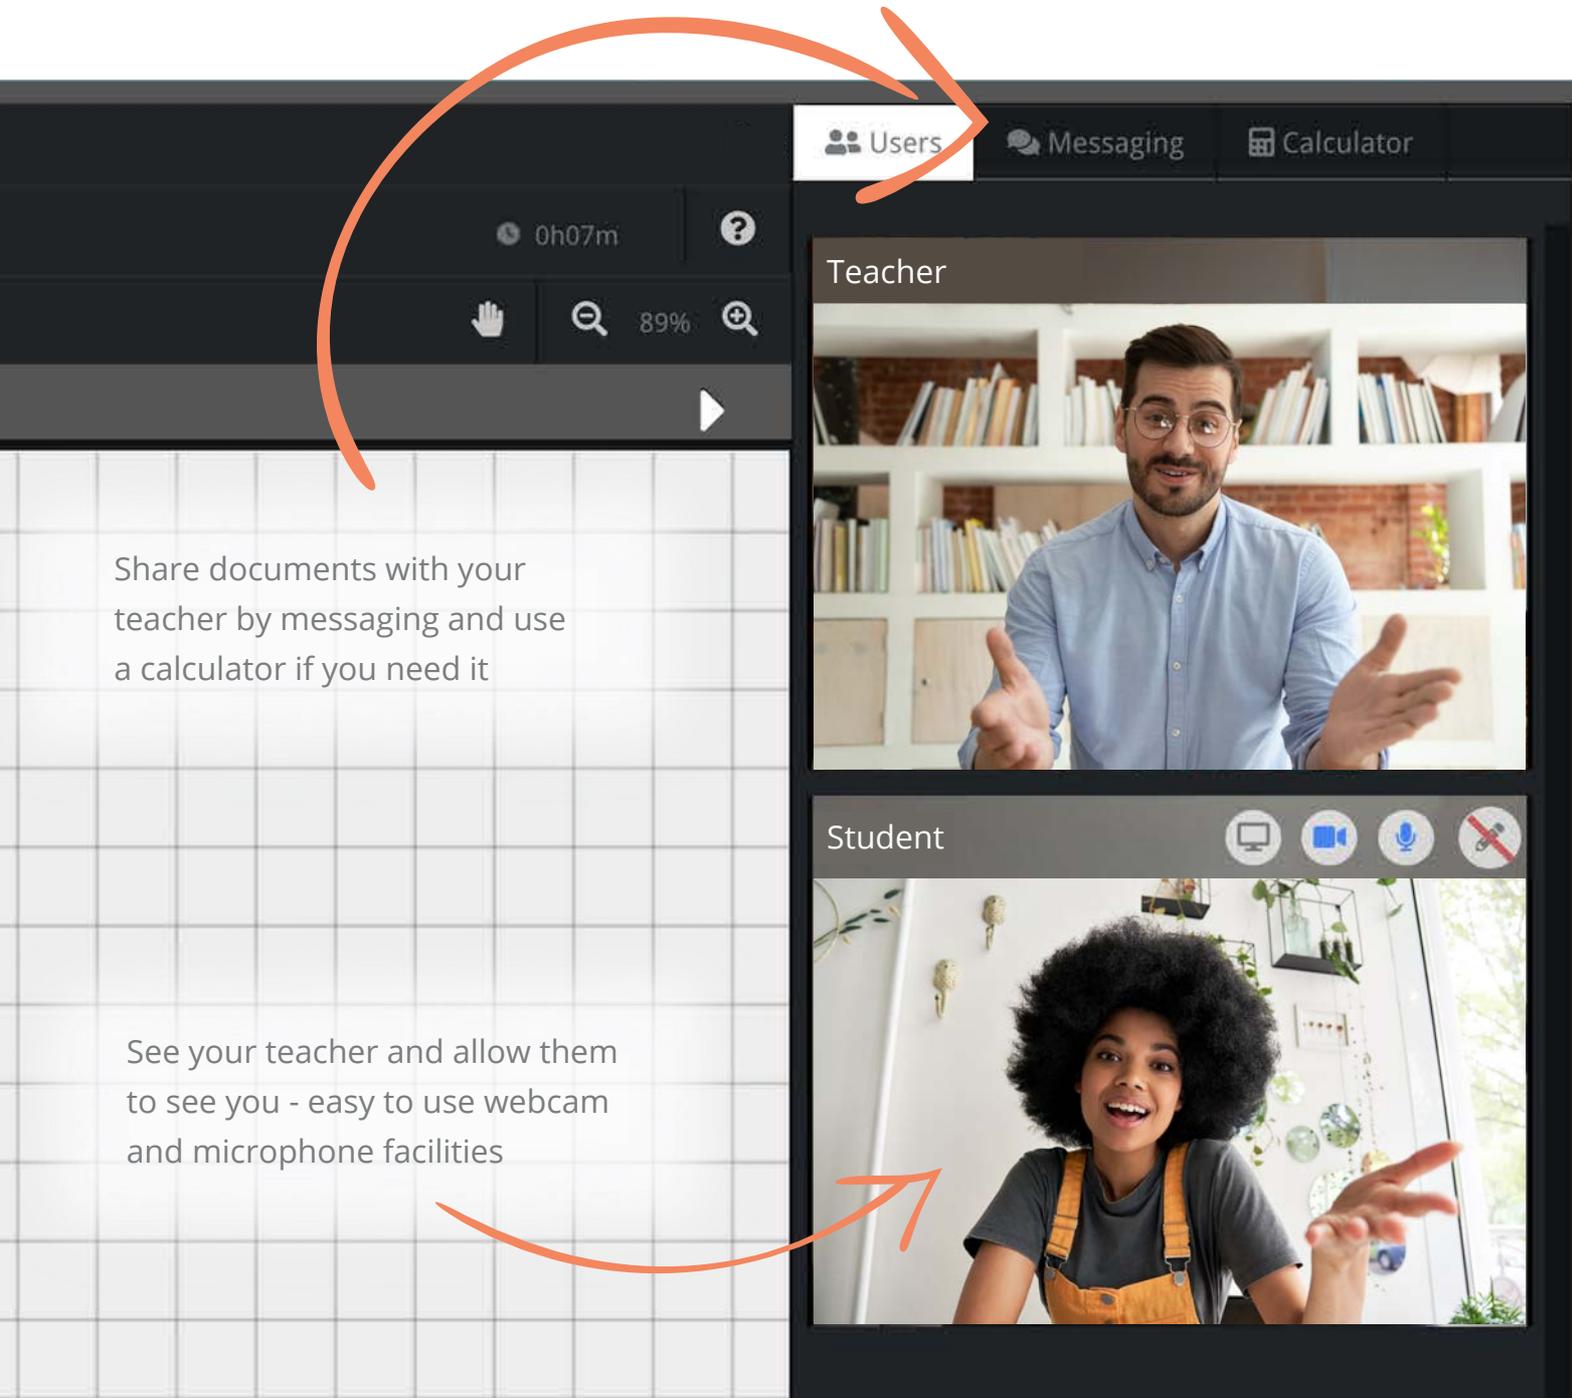

Our online platform and our wide range of qualified teaching professionals allows us to be completely flexible in order to match your requirements.

Just complete our [booking form](#) and let us know your requirements and we will match you with a teacher who can meet your individual needs.

Lessons are booked in blocks of 5 or 10 hours, to be taken at a time which is convenient to you. Lessons are a full 60-minute teaching hour.

At the beginning of the course, the teacher will assess your level of English and requirements and will plan a programme of study across your booked sessions.

Your progress will be monitored across your sessions and you are encouraged to reflect on the lesson with your teacher at the end of each session. At the end of your course you will be provided with a summary of learning.
